## ANNUAL REPORT :

The academic year 2023-2024 has been a very purposeful and fruitful. The year witnessed many milestones of excellent achievements in Academics, co-curricular activities, sports and games, which aimed at improving the quality education and all-round development of the students. I feel proud and privileged to present before you a brief report of the achievements of the school.

## Capacity building program for teachers :

With the sole purpose of updating teacher's knowledge, the school hosted a series of teacher's workshop. It was an attempt which inclusively engulfed various significant aspects like moral values, life skills by CBSE, NEP based workshop, career counselling. A part from this our teachers are made a part of the training sessions and workshops happening at other schools. Attendee teachers further share the knowledge with other fellow teachers widening the sphere of wisdom.

## Competition :

To take part is what counts in competition and lessons of victory and defeat are what we get in return. The competitions held among students in school itself, like - debate, quiz, slogan writing, drawing, rangoli making and many more. The students enthusiastically participate in competitions which enhance their skills and develop the competency of learning.

## Academic Achievements :

"Develop a passion for learning. If you do, you will never cease to grow." - Antony J D' Angelo.

Our current class IX students are getting ready to face the board exams with many changes in exam pattern.

## Quiz contest :

To cope up with this competitive society, it is necessary for our students to get update with current affairs. Plenty of quiz contest were conducted to develop their general knowledge and intellectuality.

### **Colour concept day :**

The SMPS kindergarten students celebrated their colour concept. All the children from the KG department and their teacher were dressed colourfully to celebrate this occasion. The classrooms too were decorated with different colours to welcome our children. Our tiny tots looked beautiful with their coloured attires. The day began with a short prayer and continued rhymes and jingles on colours, colour identification games etc. All the children enjoyed this special day and went home with smiles on their face.

The motive of celebrating colour concept day is to create awareness. Through these activities children develop psychomotor and cognitive skills.

### **Religious festivals :**

We at SMPS always celebrate religious festivals with divine, message and entertainment – Diwali, Janamashtmi, Christmas, and Raksha Bandhan, etc.

### **National day celebration :**

The school celebrates all the national festivals like Independence Day, Republic Day, Teachers Day and Children Day with great respect and devotion to the country and to the country man.

### **Week theme activity :**

In addition to our daily routines we do activities related to weekly house activities – kite making, hand writing, Christmas wreath making, sewing the button, mehendi, bhelpuri activity, Pooja thali making, poster making, flute making activities etc.

### **Sports Heat :**

Our sports day was celebrated in a grand manner. All the classes from junior to senior have participated in different sports activity teacher do participated with students it was really encouraging for them. Their zeal makes them win the activities.

### **Introduction of house activities :**

“Do activities as you’re passionate about, which makes your heart and soul feel perky” In order to groom and bring out inner talent we conduct various in house competitions for students like – cooking activities, poster activities, solgan writing, debate, essay writing etc.
